# THE MUSICAL GATEWAY SERIES OF EASY PIANO STUDIES, PIECES AND DUETS

By DONALD GRAY

## THE MUSICAL GATEWAY

The very first lessons at the piano. A modern instruction book that can be used with any method.

## BEGINNINGS

The very first lessons in the rudiments of music. Indispensable knowledge for the beginner learning any instrument. For class work or individual lessons.

## PRELIMINARY SCALES AND ARPEGGIOS

Prepared in accordance with the Syllabus issued by the Associated Board, Trinity College of Music, etc.

## THROUGH THE GATEWAY

Sight Reading Tests. These are very simple tests indeed in keys no more troublesome than C, G major and F major.

## FIVE POETICAL STUDIES

Very easy first studies for finger control, accuracy and quickness of touch, agility and phrasing.

## PETER PIPER

His very first tunes. A book of rhymes and tunes for tiny children just starting piano lessons. (Illustrated).

## COME AND PLAY

The very first lessons in sight reading for tiny ones. Very easy and yet so full of interest to the child.

## UNDER THE BOUGH

Four Little Pieces of extreme simplicity. Young people who have mastered their notes, and can already play a few simple chords, will find just the right sort of contrast in mood and figuration to prevent boredom.

## VERY FIRST PIANO CLASSICS

Fourteen easy pieces by Mozart, Purcell, Duvernoy, Le Couppé, Diabelli, Czerny.

## TUNES OF ALL TIMES

For sight reading. Fifty graded time exercises. For young pianists and adult beginner.

## THE CAROLLERS

Twelve carols (with words) arranged very simply as piano solos.

## FROM MY WINDOW

A new and delightfully melodious set of seven pieces. For advancing the young performer in rhythm, technique, phrasing, etc.

## THE LORD MAYOR'S SHOW

Scenes from London's traditional pageant. Brimful of interest and of great teaching value. (Illustrated).

## THE FOUR WINDS

Folk melodies from many lands, collected from sources hitherto unavailable. Prefaced by verses written by Helen Taylor.

## TWO ALBUM LEAVES

(a) Happy Thought (b) Tittle Tattle.

These pieces are very suitable for pupils' concerts. They are melodious and interesting as recreation pieces as well as for serious study.

## MUSICA VARIATA

Classical and Romantic Pieces for Piano. (Selected and Edited). This represents a further stage in the acquirement of piano technique, though the pieces chosen are still moderately easy.

## OVER THE HILLS

Duets for teacher and pupil in the elementary grade. The pieces are selected for their variety and moods and each piece has its special subject for study. There are no octaves in the pupil's part.

## CLASSICAL DUETS Book I.

(Easy). (Selected and arranged). A volume of this kind must come as a boon to teachers. Not only are the arrangements ideal for young fingers, but the choice of music is fastidious as it is charming.

## CLASSICAL DUETS Book II.

(Moderately Easy). (Selected and arranged). This volume is slightly more advanced than the first. Again considerable care has been taken in the choice of material.
